

## Select the option that fits your vehicle

How long do you plan to keep this vehicle?

How many kilometres do you drive per year?

### A Vehicle is no longer covered by the manufacturer's warranty

Protection for vehicles up to 20 years old

### B Vehicle is new or still covered by the manufacturer's warranty

Plans start with the vehicle's original in-service date (0 kilometres)

## Protect your new, leased or pre-owned vehicle

Mechanical Breakdown Protection can cover your vehicle long after the manufacturer's warranty ends. With flexible options that suit your lifestyle, you won't have to worry about costly repairs. The variety of mechanical breakdown benefits will help you enjoy your vehicle for a long time!

### Benefits of Mechanical Breakdown plan

- ▶ Extended service protection for your vehicle
- ▶ Repairs can be completed in Canada and the continental U.S.
- ▶ Repair centres are paid directly by the administrator
- ▶ Transferrable and renewable protection\*

Option to add zero deductible which waives the \$90.00 deductible for each covered repair.

## MECHANICAL BREAKDOWN PROTECTION

 **Filing a claim is easy!**

 **Quick and courteous toll-free claims process**

Give us a call before any car rental/trip interruption assistance and repairs are made at 1-800-387-0119 or 1-905-578-7477

We are available to assist you Monday to Friday from 8 a.m. to 8 p.m. ET.

Have your vehicle service contract number and the current odometer reading of the vehicle handy!

## Mechanical Breakdown Protection plan

	Engine & Transmission	Powertrain	Systems	Optima Pre-Owned	Optima New	Optima Wrap
1. <b>Engine</b> Cylinder block, cylinder head(s), intake manifold, valve cover(s), oil pan, all internal lubricated parts if damaged from within by the mechanical failure of a covered internal engine part including: crankshaft and main bearings, camshaft and bearings, connecting rods and bearings, timing chain(s) and gears, valve lifters and push rods, intake and exhaust valves, valve springs and retainers, valve guides, pistons, rings and pins, rocker arm assemblies, oil pump, water pump, timing belt (if in warrantable condition).	•	•		•	•	Protected by Manufacturer's Powertrain Warranty
2. <b>Transmission (automatic/standard)</b> Transmission case/housing, all internal lubricated parts if damaged from within, torque converter, modulator valve.	•	•		•	•	
3. <b>Transaxle (FWD)</b> Housing and all internal lubricated parts if damaged from within.	•	•		•	•	
4. <b>Differential (RWD)</b> Pot housing and all internal lubricated parts if damaged from within.		•		•	•	
5. <b>Secondary differential (4WD/AWD)</b> Pot housing and all internal lubricated parts if damaged from within.		•		•	•	
6. <b>Transfer case (4WD/AWD)</b> Housing and all internal lubricated parts if damaged from within.		•		•	•	
7. <b>Turbo/supercharger</b> Manufacturer installed/approved: housing and all internal lubricated parts if damaged from within.		•		•	•	
8. <b>Towing assistance</b> On covered claims only. Valid receipts will be required for reimbursement.	•	•	•	•	•	•
9. <b>Trip interruption assistance</b> On covered claims only. Reimbursement of expenses including: lodging, meals, alternate transportation and phone calls.	•	•	•	•	•	•
10. <b>Seals and gaskets</b> Seals and gaskets used to contain fluids or lubricants within the covered parts of the plan and option(s) purchased.	Option	Option	•	•	•	•
11. <b>Air conditioning system</b> Manufacturer installed/approved: compressor, compressor clutch, compressor bearing and pulley, condenser, evaporator.	Option	Option	•	•	•	•
12. <b>Steering system</b> Gear housing & all internal lubricated parts, rack/pinion & all internal lubricated parts, power steering pump.			•	•	•	•
13. <b>Brake systems</b> Master cylinder and reservoir, wheel cylinder, disc brake calipers, proportioning valves, assist booster, steel lines & fittings.			•	•	•	•
14. <b>Electrical systems</b> Alternator and voltage regulator, starter motor and solenoid, front wiper motors and front washer pumps, front power seat motors.			•	•	•	•
15. <b>Fuel injection systems</b> Pressure regulators, fuel injection lines and fuel injectors.			•	•	•	•
16. <b>Additional parts</b> Motor mounts, transmission mounts, transfer case mounts, transaxle mounts, timing chain/belt tensioner, timing cover, oil pressure gauge sending unit, temperature gauge sending unit, axle shafts, drive shaft, constant velocity joints, wheel bearings, front suspension listed parts only: upper and lower control arm shafts upper and lower ball joints, steering knuckles.				•	•	•
17. <b>XP parts</b> Starter motor and solenoid, alternator and voltage regulator, oil pressure gauge sending unit, temperature gauge sending unit, CV joints, drive shaft, axle shaft.	Option	Option		•	•	•
18. <b>High tech parts</b> Factory or dealer installed engine mounted electronic cruise control components, automatic temperature control/programmer dash display unit, main dashboard digital display cluster, power door lock actuators and switches, power window motors and switches, power seat switches, power sun roof motor and switch, fuel pump, ABS pressure regulator and pump, internal transmission/transaxle/transfer case electronic engagement components, wastegate controller.	Option	Option	Option	Option	•	•
19. <b>Hybrid electric vehicle parts</b> Electric motor, power controller, hybrid transaxle, electronic transmission, inverter generator(s), electronic display monitor.	Option	Option	Option	Option	Option	Option
20. <b>Tire &amp; rim</b> Repair or replacement of tire or rim due to road hazard damage resulting in a tire that goes flat (loss of air) or a rim that will not seal resulting in air loss.	Option	Option	Option	Option	Option	Option
21. <b>Zero deductible</b> Waives the \$90 deductible on each covered repair.	Option	Option	Option	Option	Option	Option
22. <b>Car rental &amp; taxi assistance</b> Reimbursement for expenses incurred to rent a replacement vehicle from a licensed rental agency or for alternate public transportation or taxi service while the vehicle is at a repair facility due to a covered claim.	Option	Option	Option	Option	Option	Option
